

# PUBLIC WORKSHOP

## Fairfax County, Virginia

### When:

Wednesday, June 26, 2002  
6:00 p.m. to 8:00 p.m.

### Where:

South County Government Center  
8350 Richmond Highway  
Alexandria, VA 22309

### Purpose:

The Federal Highway Administration (FHWA) in cooperation with the National Park Service (NPS) has begun the process of studying alternatives to increase parking capacity and improve traffic operations in the vicinity of George Washington's Mount Vernon Estates and Gardens in Fairfax County, Virginia. The study will focus on the area adjacent to George Washington's Mount Vernon Estate and Gardens, including the George Washington Memorial Parkway and VA Route 235.

This public information meeting will assist the study team in identifying key issues and concerns of the public, developing alternatives, and assessing impacts that will be addressed in the Environmental Assessment. Maps and other information pertaining to the project will be provided to assist you in expressing your suggestions for the project. Public involvement is a critical part of the study. You are invited to attend and bring any information relevant to the study area.

### Comments:

Verbal comments will be taken at the Public Meeting. Written comments and other information relative to the proposed project may be submitted at the meeting or sent to Mr. Jack Van Dop, FHWA, at 21400 Ridgetop Circle, Sterling, Virginia 20166 at any time no later than 10 days after the workshop (July 6, 2002).

### Special Assistance:

If you require additional information or special assistance to attend and participate in this meeting, please call Kimley-Horn and Associates at 703-934-0909.
